PERSONAL STATEMENT

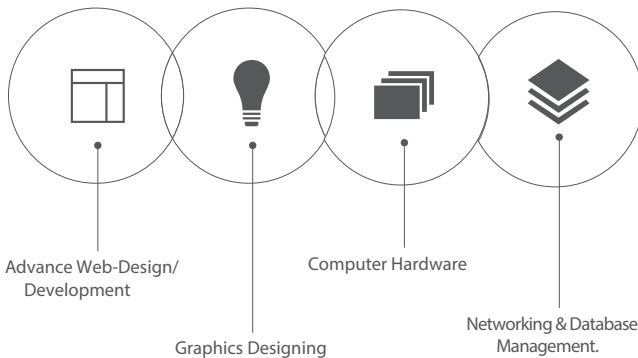

I am Bismark Asare, born on the 4th of January, 1991, a graduate from the Ghana Technology University College (GTUC) a Ghanaian by birth, currently based in Accra, (National Chief Imam Avenue) New-Fadama.

Technology has always being my passion. However, I enjoy using skills I have acquired in solving real-life problems, by way of coding, designing, development, packaging and industrial designs.

I have three(3) years experience working as a freelance Web-developer, Graphics designer, Hardware and Networking technician and I am eager to learn new skills, that will propel me to ascertain long term employment in an organisation where I can grow professionally and further enhance my skills, knowledge and experience to face and overcome the challenges of today working environment.

Therefore, I want to utilize the current skills I have acquired, to assist in advancing a business that offers a full-time employment.
